Author | International Speaker | Workplace Culture and Leadership Expert

- **Powerful Messages Delivered with Humour** –Shay McConnon is an internationally recognised speaker, author, and leadership expert who specialises in workplace culture, employee engagement, and transformational leadership. With a unique ability to blend psychological insight with humour, he delivers transformative messages that inspire lasting change.
- **Global Speaker** – A Fellow of the Professional Speakers Association, Shay has worked with organisations worldwide, helping them build trust, improve communication, and create high-performing, engaged teams. His dynamic and interactive presentations leave audiences not only informed but also equipped with practical tools they can apply immediately.
- **Founder of People First** – Shay is the creator of the award-winning *An Even Better Place to Work* programme, which has been successfully implemented by leading organisations such as the NHS, the Environment Agency, Siemens, BAE Systems, and Emirates. This innovative system fosters collaboration, trust, and motivation within teams, leading to measurable improvements in workplace culture.
- **Published Author** – Shay has written multiple books on leadership, communication, and personal development, including *Resolving Conflict, Presenting with Power and An Even Better Place to Work*. His practical, research-backed insights have made him a go-to expert for organisations seeking to enhance their workplace environment.
- **Member of the Magic Circle** – Bringing an extra dimension to his presentations, Shay seamlessly integrates magic to illustrate key concepts in a memorable and engaging way.

If you're looking for a speaker who can captivate, educate, and inspire, Shay McConnon delivers a unique blend of practical expertise and engaging storytelling. His interactive style ensures that audiences leave not just with ideas, but with real strategies they can implement straight away.
